

GOD IS REAL. LIVE LIKE IT.

We believe in the transforming power of the Gospel. Whether you are a believer or not, whether you've been to church or not, we invite you to join us this summer for a conference that will not only provide you with English immersion and cross-cultural experiences, but will, most importantly, challenge you to dive deeper into the Gospel and discover that **God is real**.

2016 CONFERENCE

EVALUATE

YOUR FAITH

When was the last time you really took the time to evaluate what you believe? Why do you go to church? Why do you believe in Jesus? Or why don't you? At VOICE, we strive to help you answer these questions by taking time each day to assist you in cultivating a personal walk with God:

team devotions

Start off your day with team devotions, a time to focus on listening to God's voice by reading His Word.

Bible class

Take a closer look at the Gospel through lessons from the Ten Commandments. What does each commandment reveal about God and how should we live accordingly?

team prayer

Close your day discussing the day's lessons and activities with your team, followed by a time of prayer.

Who said learning another language can't be fun? Take advantage of your time in America to immerse yourself in the English language!

English class

Kick off the afternoon with English class packed with activities, games, outings, and fun interaction.

performance

Take English-learning to another level by acting or singing for an audience in English!

friends

Don't stop there! Aside from having an American team leader, you'll have the opportunity to meet American families and students who will also be participating in various parts of the conference.

culture

Get a taste of American culture by celebrating a few of their traditional holidays and enjoying some of their favorite pastimes.

places

Visit not just one but three cities in America! Start off in **Oklahoma City**, where you will visit three different churches, stroll through downtown, and learn how the tragic bombing in 1995 has changed the city for good. Travel north for an exciting adventure at the **Northwoods**! Learn more about faith as you worship by the lake, participate in team challenges, and enjoy the beauty of God's creation. Visit the famous city of **Chicago**—take a walk down Michigan Avenue, watch a Major League Baseball game, and conclude your trip with a final graduation party.
